

Update on the Rice Corner Park Project:

You're about to be noticing a lot of changes occurring at the Rice Corner Park, located in Downtown Rice, in the upcoming weeks.

Thanks to generous donations from the Sportsman's Club, Westside Liquor, the Minnesota Power Foundation, and through our silent auction fundraiser we have \$9,000 to begin working on the well and sprinkler system needed to create a sustainable garden park! Also on the agenda for this year includes the planting of 20 arborvitaes and the removal of the diseased trees. Currently, we are fundraising to purchase the arborvitaes and are asking for your help! We are hoping to raise approximately \$100 for each arborvitae. The arborvitaes are going to be essential in creating a barrier between the park and the railroad tracks. We would like to have all of the arborvitaes planted by early fall in order to begin working on the flower gardening and planting the shrubs for next spring! If you are interested in making a donation towards the purchase of the arborvitaes please make a check out to the "Rice Corner Park Project" and mail to the Rice Downtown Organization – PO Box 179 Rice, MN 56367. All donations will be honored on a plaque located in the park. Please feel free to send in the bottom portion of this page when you send in your donation so we know who your donation is in honor or recognition of. Feel free to contact Stephanie Hillesheim at 763-286-3367 if you have any questions! Thank you for your generous support of the Rice Corner Park revitalization and for taking pride in our city!

We would like to make a donation of \$_____ toward the purchase of the arborvitaes.

In Honor of _____

In Remembrance of _____

You would like your name, family name, or business to be recognized on the plaque:

Rice Downtown Organization – PO Box 179 Rice, MN 56367
